Dear Parent or Guardian:

It is an Illinois law and Ottawa Township High School policy that every student has a current physical. The physical must be documented on the State of Illinois Certificate of Child health Examination form. Within this physical it is required that all immunization be up to date:

Minimum immunization requirements include:

- Three or more doses of DTP/DTaP or TD
- One dose of Tdap and box checked to verify
- Three or more doses of Polio and the last dose received on or after the 4<sup>th</sup> birthday
- Three doses of Hepatitis B with minimum intervals between doses: 1 & 2 at least 4 weeks (28 days), 2 & 3 at least 2 months (56 days), 1 & 3 at least 4 months (112 days)
- Two doses of Varicella (chicken pox): first dose on or after 1<sup>st</sup> birthday, second dose no less than 4 weeks (28 days)
- Two doses of Measles, Rubella and Mumps Vaccines, the first dose on or after the 1<sup>st</sup> birthday, second dose no less than 4 weeks (28 days)
- Two doses of Meningococcal Vaccine: first dose on or after the 11<sup>th</sup> birthday, second dose on or after the 16<sup>th</sup> birthday.

The MD is required to document the diabetic screening which includes height, weight and BMI.

An MD signature and date is required on all physicals.

You as the parent or guardian are to fill out the health history, sign and date the form. This would include any allergies and/or medications.

Please take this information with you when you obtain the physical, so the form is completed with all necessary information.

Thank you,

Trisha Modeen MSN RN
